

Nuneaton SEND Parents/ Carers Training

We are delighted to share with you that Louisa McGivney, a specialist, and consultant in Autism, will be delivering a series of 6 free workshop sessions aimed at parents and carers of children and young people on the Autism spectrum and those with complex communication needs.

Each session will be delivered on a Friday morning from 10.00am-12.00pm, with light refreshments available to those attending the sessions.

There will be a series of sessions focusing on a range of topics, which include:

- **Week 1- Friday 4th November 22: Understanding your child and their Autism**
- **Week 2 – Friday 11th November 22: Supporting your child with self-care and independence**
- **Week 3 – Friday 18th November 22: Supporting your child and their sensory processing differences**
- **Week 4 – Friday 25th November 22: Supporting your child and their behaviours**
- **Week 5 – Friday 2nd December 22: Supporting your child with their learning**
- **Week 6 – Friday 9th December 22: Supporting your child with transitions**

The aim of each session will be to:

- To raise an awareness of how Autism/CCN affect your child
- To develop a shared understanding of some of the challenges that our children face, and the strengths they can bring
- To increase your confidence in understanding and supporting your child
- To build up a bank of ideas and strategies that can be used to support your child

All sessions will be held at Nuneaton Library. Whilst we appreciate you may not be able to attend every session due to work/family commitments; we do ask that you attend week 1 as this provides the foundation for the remaining sessions, and that you are able to commit to at least three of the following sessions.

For full details and to book a place on the sessions, please contact Sarah Cox - email sarahcox@warwickshire.gov.uk
