To Parent or Carer,

As you will be aware, in May, your child will be starting their GCSE English Literature and Language exams. As a department, we are offering the opportunity for your child to enhance their knowledge of one of their GCSE texts – *An Inspector Calls* – by visiting the Leicester Curve Theatre to watch a live performance of the play.

Pupils will be attending the theatre on Thursday 23rd March 2023 and the performance will take place at 7.30pm. If there is no traffic then your child should be back at Hartshill Academy by 10.45pm.

There are only 100 tickets available for this showing and will be offered to the whole of Year 11. The tickets will be given out on a first come first served basis.

Section A of your child's second GCSE English Literature paper will be based on *An Inspector Calls* and this trip will be an invaluable experience for our pupils to see the play live.

In order that the visit can take place a voluntary contribution of £10 will be required. If it is not financially viable for the visit to go ahead due to insufficient voluntary contributions then the money will be refunded.

If you have any questions about this trip please contact me lewis.turner@midlandat.co.uk

Thank you,

Ms Turner

Mr Turner
