Principal: Lorraine Taylor

We have been informed by Acorn Adventure that the Brecon Beacons site we had planned to visit for our Year 9 Summer Residential is being sold and therefore we will no longer be able to go there for our residential trip. We have been working with Acorn Adventure to identify a suitable alternative.

We have been offered a place at the Acorn Adventure Llangorse Site which is also in the Brecon Beacons. However, this does also involve a change of dates and also the length of trip will now be reduced to three days and two nights long. The cost of the trip will be reduced to £254pp.

The new site is smaller so we will need to split the pupils into two groups.

Group 1 will be Monday 10th – Wednesday 12th July 2023

Group 2 will be Wednesday 12th – Friday 14th July 2023

We have spoken to the pupils today about how their groups will be organised and confirmation will be sent to you about which group your child is in.

Pupils will stay in Tipis and they will take part in a variety of activities at the outdoor centre.

If you no longer wish to attend this summer residential please contact our Business Manager gemma.whetton@midlandat.co.uk by Friday 10th February 2023.

If you are happy to accept the change of venue and time then you do not need to do anything at this stage. We will update you on the next steps for the trip once we have all the replies.

If you have any questions about this opportunity please contact our Year 9 Pastoral Leader Stevie Bates stevie-leigh.bates@midlandat.co.uk

Yours Sincerely

Lorraine Taylor
Principal
