Year 9 GCSE Pathways Assembly

Year 9 have recently taken part in a talk from a representative of North Warwickshire and South Leicestershire College, looking at how to effectively choose their GCSE subjects and the potential future pathways these choices can lead to.

This was a very beneficial assembly for the pupils and they responded really well with great conversations on what they want to be doing for their GCSE options next year.

Fantastic Five Leader board

Just 1 week to go! Who will make the top ten and the trip to laser quest? Can the Walkie talkies catch the Numerators? #hartvalues #tenacity
