

Dear Parents/Carers

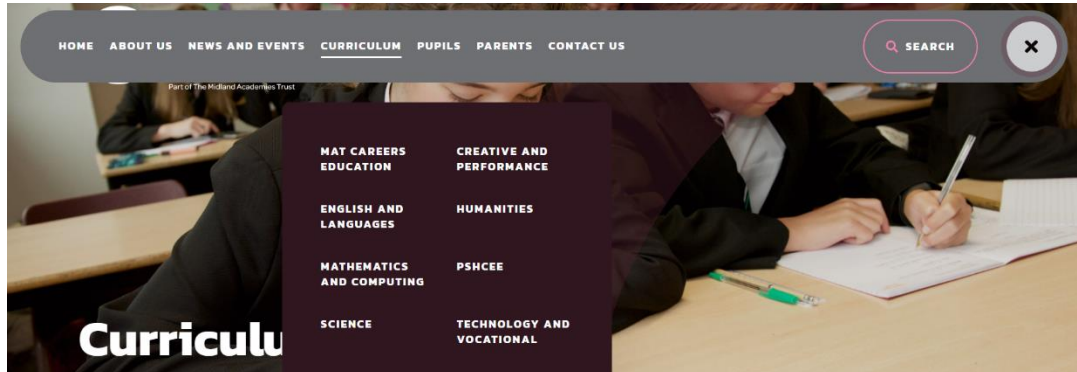

Our pupils are working hard in preparation for their summer assessments. The Summer Exams will be the week beginning Tuesday 18th June. These exams will be held in the Sports Hall as they will for the final GCSE exams next summer.

Our pupils have shown real heart and tenacity this year. We are very proud of them all. We hope this excellent attitude continues as they prepare for their summer exams and look forward to beginning Year 11 in September.

We have a knowledge rich five year curriculum. We spend a lot of time in lessons focusing on the knowledge needed and retrieval of this knowledge. Pupils who have completed all of their classwork and homework this year will have had lots of practice retrieving this knowledge and have already done lots of preparation for the summer assessments.

Summer exams can cover any of the topics that have been completed over their GCSE course. The list of topics covered over the five school years is available on the curriculum pages of the school website or in the termly curriculum letter which is emailed at the start of each half term.
