Dear parent/carer

Following the tragic death of a member of the community, we know that you maybe worried about your child attending the academy. Please be assured that both pupils and staff are safe at the academy.

We are continuing to support your child through this period.

Hartshill Academy pupils will have access to chaplaincy support, the school counselling service, and their pastoral team for any support they may need at this time. In addition, please see below a link to support services that may be useful:

[Hartshill Academy - Wellbeing Hub \(midlandat.co.uk\)](https://www.midlandat.co.uk)

In the coming days, we will continue to speak to pupils about the support available, along with further sessions regarding personal, health and social education, to ensure that they fully understand their responsibilities as members of the wider community and know how to keep themselves and others safe.

We are aware that a video relating to the incident has been shared on social media and would remind parents to ensure that their child does not view or share this while the police continue their ongoing investigation. We also ask that you do not speculate on the social community groups, about the incident as it could hinder the current investigation.

If you have any concerns or need to contact us at this time, please email: infoHHA@midlandat.co.uk or call 02476392237.

Yours sincerely

Lorraine Taylor  
Principal
