

Targeted Youth Support

Summer Projects

2024

TYS are running summer projects across the county, throughout the summer holidays. The team will be taking young people on day trips, they will be out on detached in the local areas and be running Youth Club drop-in sessions.

TYS work with young people aged 11-18 years, if you have a young person who would be interested in coming along to any of the drop-in sessions, please contact lindsayhomer@warwickshire.gov.uk who will be able to provide further details.

The element of choice runs through all our work. Young people must choose to work with us, it cannot be done to them.
