Dear parent/carers

We are writing to you today following the tragic death of a member of the community, that we know you will be aware of from local media.

We are saddened by this and understand the shock that this will have caused in the local community. Our thoughts are with the family, at this difficult time. We want to reassure parents of the actions we are taking to support your child.

Hartshill Academy pupils will have access to chaplaincy support, the school counselling service, and their pastoral team for any support they may need at this time. In addition, please see below a link to support services that may be useful:

In the coming days, we will be speaking to pupils about the support available, along with further sessions regarding personal, health and social education, to ensure that they fully understand their responsibilities as members of the wider community and know how to keep themselves and others safe.

We are aware that a video relating to the incident has been shared on social media and would remind parents to ensure that their child does not view or share this while the police continue their ongoing investigation.

If you have any concerns or need to contact us at this time, please email: infoHHA@midlandat.co.uk or call 02476 392237.

Yours sincerely
